Birmingham & Solihull Women's Aid

TOP TIPS

We support hundreds of women and children each Christmas, some in our refuges, some in our community-based projects. To help us to make things run smoothly here are our top tips.

1. **Don't worry about wrapping or gift bags** - it means we can give the right gift to the right child and avoid wastage of wrapping paper.
 2. **No cards or notes please** - help us to maintain the lilac fairy magic!
 3. **No knitted hats, gloves or mittens please** - we get given these so often we always have a surplus
 4. **Shop in local businesses** and independent stores where you can - support your community
 5. **Only new gifts please**
- Enjoy - and thank you for being a Lilac Fairy helper!
