## TOP TIPS

### CONTACT US ON [CENTRAL@BSWAID.ORG](mailto:CENTRAL@BSWAID.ORG) TO ARRANGE DROPPING OFF YOUR PRESENTS.

We support hundreds of women and children each Christmas, some in our refuges, some in our community-based projects. To help us to make things run smoothly here are our top tips.

- Don't worry about wrapping or gift bags - it means we can give the right gift to the right child and avoid wastage of wrapping paper.
- No cards or notes please - help us to maintain the lilac fairy magic!
- No knitted hats, gloves or mittens please - we get given these so often we have an amazing surplus
- Shop in local businesses and independent stores where you can - support your community
- Only new gifts please

Enjoy - and thank you for being a Lilac Fairy helper!

If possible, it is helpful for us to receive the presents before  
**Friday 8th December** to make sure we can distribute the presents in time.
